## IN AN EMERGENCY, CALL 112

1. Tell what has happened.
2. Tell the exact address and location.  
Give coordinates if needed.
3. Answer the questions.
4. Follow the instructions provided.
5. End the call after the permission only.

You can download 112 Suomi application for free from the application stores. When you call the emergency number through the application, the location information is transmitted to the emergency center automatically.

## IN THE EVENT OF AN ACCIDENT

1. Stay calm. Find out what has happened.
2. Save those in danger and warn others.
3. Give first aid. Try to put out the fire.
4. Call 112 from a safe place.
5. Be active and continue helping until assistance arrives.
6. Guide rescue staff to the location.
7. Follow the instructions given to you.
